PERSONAL INFORMATION

Hello, My name is Naomy Kirui. I am a Graphic / UI, UX consultant based in Nairobi.

I graduated with a Bachelor of Science in Software engineering from the University of Eastern Africa Baraton in July of 2017.

I am passionate about technology, graphic design, and UI/UX with a strong background in digital marketing. 5+ years of hands-on experience in handling several simultaneous creative design project, concept creation, social media posts and animation.

I am currently consulting at ABC Bank and I also do freelance with some variance in clientele. I have also been learning Figma and XD to improve my UI/UX.

OBJECTIVES

To contribute to the organization success and further develop skills and talent in design world for the benefit of the company, customers as well as my personal growth .
